

# BlueVision Plus

*A plan for healthy eyes, healthy lives*

Professional vision services including routine eye examinations, eyeglasses and contact lenses offered by CareFirst BlueCross BlueShield and CareFirst BlueChoice, through the Davis Vision, Inc. national network of providers.

## How the plan works

### How do I find a provider?

To find a provider, go to [carefirst.com/frederick](https://carefirst.com/frederick) and utilize the *Find a Provider* feature or call Davis Vision at 800-783-5602 for a list of network providers closest to you. Be sure to ask your provider if he or she participates with the Davis Vision network before you receive care.

### How do I receive care from a network provider?

Simply call your provider and schedule an appointment. Identify yourself as a CareFirst BlueCross BlueShield or CareFirst BlueChoice member and provide the doctor with your identification number, as well as your date of birth. Then go to the provider to receive your service. There are no claim forms to file.

### What if I go out-of-network?

Staying in-network gives you the best benefit, but BlueVision Plus does offer an out-of-network allowance schedule as well. In this case, you may see any provider you wish, but you will be responsible for all payments up-front. You will also be responsible for filing the claim with Davis Vision for reimbursement and paying any balances over the allowed benefit to the non-participating provider. You can find the claim form by going to [carefirst.com/frederick](https://carefirst.com/frederick), locate *For Members*, then click on *Forms, Vision, Davis Vision*.

### Can I get contacts and eyeglasses in the same benefit period?

With BlueVision Plus, the benefit covers one pair of eyeglasses or a supply of contact lenses per benefit period.

### Mail order replacement contact lenses

[DavisVisionContacts.com](https://DavisVisionContacts.com) offers members the flexibility to shop for replacement contact lenses online after benefits are spent. This website offers a wide array of contact lenses, easy, convenient purchasing online and quick shipping direct to your door.
