

Breast Pump Vendors

Breast Pumps

Breast pumps are covered under the Durable Medical Equip-ment (DME) benefit for FCPS active employees. If you use one of the in-network vendors, it will be paid at 100%. If using an out of network vendor, it will be paid at 100% of eligible expenses.

National Ancillary DME breast pump providers will ship the breast pump directly to the member.

Members can pre-order and the breast pump will be shipped upon notification of delivery of newborn.

In-Network National providers for non-hospital grade double

Electric breast pumps - CareFirst Has an extensive in-network list of providers. Please see the full list in the link below.
