

## INCLEMENT WEATHER FORECASTED AND DETERMINING STATUS OF FCPS PROPERTIES FOR USE BY COMMUNITY USER GROUPS

The best way for a community user group to determine if FCPS buildings or fields are open to use by community user groups during a weather event is to follow these instructions:

1. Access for the FCPS Use of Facilities webpage: [www.fcps.org/uof](http://www.fcps.org/uof)
2. Click link for CALENDAR AND REQUEST FORM.
3. The calendar view will open and a posting will appear on the date if there has been a change in building status:

### Examples of messages:

<p>Message posted as soon as decision was made on Saturday evening to close buildings on Sunday, 1/9/22:</p> 	<p>Message posted on Sunday, 1/16/22 mid-day when buildings were closed due to implementation of the Snow Emergency Plan:</p>

The posting on the public community use calendar will be made as soon as a decision has been made by FCPS, so please refer to it on days when inclement weather is predicted.
