

Listed below are supplies that your child will use during the school year in the instructional program at each grade level. It is particularly helpful for our younger students if items could be labeled with their names prior to bringing them to school. We appreciate your support in providing these materials for your child, however, if you are unable to purchase any of these supplies, please contact the front office at 240-236-2100, and we will be happy to assist you in the collection of these items.
