Dr. Markoe's Charge to the Task Force

The task force will be charged with reviewing current programming and practices associated with FCPS specialized programs. In addition, the task force will be asked to explore proactive best practices for behavioral intervention. Through recommendations of the task force, program structures, resources and training will be augmented to guarantee optimal outcomes for the students of FCPS.

Dr. Michael Markoe

Pastor Shep

Setting Our Norms

- Group norms guide how group members interact with each other
- Group norms help the group achieve its mission and achieve maximum effectiveness
- Effective groups consciously determine the kinds of guidelines that all group members are expected to follow
- Focus group norms on the most important areas of interaction & on past experiences that were positive
- *Finally...The Fewer The Better!*

Blue Ribbon Task Force 2022 Norms

1. Adhere to time limits while speaking
2. Respect passion and story people may bring, agree to disagree
3. No student names
4. Be open minded, listen first then share.
5. Use the parking lot to sidebars, be mindful of the time people have
6. Try to keep eyes on the future, what's best for kids going forward; Still respect people's journeys, we need to know where we have been in order to see where we are going.
7. End on a positive note, end on time

A close-up photograph of a white, lined paper note pinned to a silver metal railing. The note is slightly wrinkled and has the text "Back in 10 minutes 😊" written in black marker. The background is a blurred indoor setting with warm, yellowish lighting, possibly a library or a store.

Back in
10
minutes 😊

Reflection

A 3D rendered image of the word "Reflection" in a bold, gold, sans-serif font. The letters are positioned on a dark blue, reflective surface that features a perspective grid of lighter blue lines. The word and its reflection are centered horizontally. The background is a smooth blue gradient that transitions from a darker shade at the top to a lighter shade at the bottom, where the grid lines meet. The lighting creates soft shadows and highlights on the gold letters, giving them a metallic appearance.
