## 2023-2024 Practice Calendar/Equipment Restrictions — CHEER

➤ On single practice days, one walk-through is permitted.

FCPS General Guidelines:

- ➤ Double practice days (beginning no earlier than practice day 6) must be followed by a single-practice day or rest day. When a double-practice day is followed by a rest day, another double-practice day is permitted after the rest day.
- ➤ All practices and walk-through sessions must be separated by at least 3 hours of continuous rest.
- ➤ If a practice is interrupted by inclement weather or heat restrictions, the practice should recommence once conditions are deemed safe, but total practice time should not exceed its limitations.

NOTE: Highlighted days reflect Heat Acclimatization Period
